

ELITE Web Registration Process

1. Once you arrive on the 'Welcome To' landing page, select the 'Register' button in the lower left-hand corner.

2. Once the 'Register' page opens, complete the following four data fields:

Username: A valid email address (preferably an army.mil address).

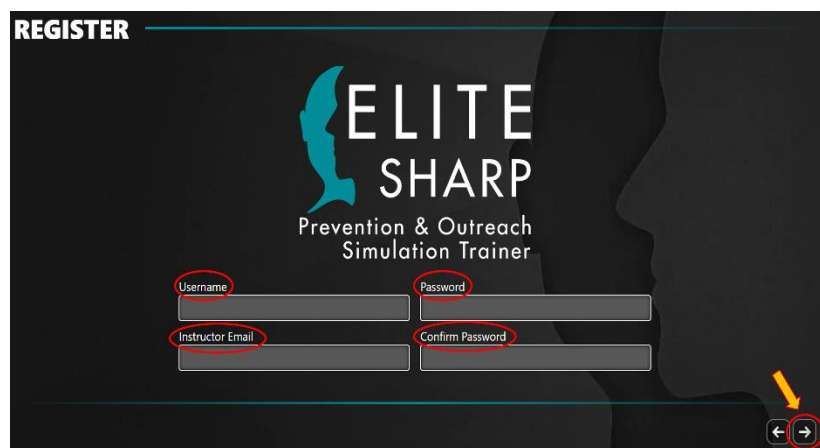

Instructor Email: Valid email address of the individual directing you conduct the training (SARC, Training Officer/NCO, Commander, First Sergeant, etc.).

Password: Choose a password that meets the following requirements:

- At least 8 characters
- At least one lowercase letter ('a' – 'z')
- At least one uppercase letter ('A' – 'Z')
- At least one numerical digit ('0' – '0')
- At least one special character ('@', '\$', '*', etc.)

Confirm Password: Duplication of password entered in the 'Password' field.

After all fields are populated, select the arrow pointing right to advance.

3. Once you return to the "Welcome To" page, complete the fields, and then select the arrow pointing to the right to log in.
